

Centra Funding, LLC

Coronavirus Deferment Program

Centra recognizes that our customers are small businesses that have been hit hard by the effects of coronavirus, and we want to be in close touch and work with you during this unsettled time. Centra has a program to help customers affected by the Coronavirus shutdowns, but similar to any loan refinancing, you must submit information to Centra to qualify for this program. In order to qualify for this program, your company must demonstrate:

1. That your company must have been impacted over 35% in revenues since the Coronavirus event.
2. You have provided the last 2 complete month banking statements for your company (include all bank accounts).
3. You have provided “up to the day” snapshot of your company bank account. This involves logging on to your banking portal and printing out the complete activity so far this month.
4. Provide the last 2 months complete banking statements for the business owner/guarantor.

Step 1 - Fill out the information below

Company Name:	
Your Name:	
Cell Phone Number:	
Please describe how you have been impacted:	

Step 2 - Include the following information with this form

1. The last 2 complete monthly banking statements for your company (include all bank accounts).
2. “Up to the day” snapshot of your company bank accounts. This involves logging on to your banking portal and printing out the complete activity so far this month.
3. The last 2 months complete personal banking statements for the business owner/guarantor.

Step 3 - Email this form and all banking statements to coronavirus@centrafunding.com.

Email this form and all banking statements to coronavirus@centrafunding.com. Centra will review your information and a customer service representative will then contact you with your options. Incomplete submissions
